What is Hearth Stone House?

Hearth Stone House is a comprehensive recovery center offering personalized treatment using the latest technology. We offer a full range of services that can be tailored to fit your specific needs. Our experienced staff will ensure you get the attention and care you need to gain and maintain a successful life of recovery.

Our Staff Consists of...

Highly trained and dedicated medical staff, psychiatrists, therapists, counselors and technicians. They are all here to meet your needs and provide personalized treatment using the latest in technology such as Transcranial Magnetic Stimulation therapy or TMS.

WE GUIDE YOU TO
ACHIEVE & **MAINTAIN**
A HAPPY & PURPOSEFUL
LIFE OF **RECOVERY**

"IT'S NOT WHERE YOU COME FROM, BUT
WHERE YOU ARE HEADED THAT COUNTS."

Our Innovated Approach is Where Technology & Therapy Meet

What is TMS Therapy?

Transcranial Magnetic Stimulation (TMS) is an innovative approach for treating neurological & psychiatric disorders. FDA approved for treatment of major depressive disorders.

TMS is a non-invasive form of brain stimulation. This advanced technology uses an MRI type coil to send magnetic pulses to improve neuronal connectivity and brain function. Also used for...

- ✦ Substance Abuse
- ✦ Bipolar Disorder
- ✦ Chronic Pain
- ✦ Post Traumatic Stress Disorder (PTSD)
- ✦ Schizophrenia
- ✦ Smoking Cessation
- ✦ Major Depressive Disorders
- ✦ Obsessive Compulsive Disorder (OCD)
